

Founder's Profile

IPPUDO started in 1985 in Fukuoka. Today, there are over 200 IPPUDO outlets all around the world.

Our founder, Shigemi Kawahara, sees the restaurant as a stage where each employee plays a role like an actor. From cooking to serving, every move is perfectly choreographed.

Kawahara holds a place in the Ramen Hall of Fame after winning TV Champion Ramen Chef 3 times consecutively and also won at the TBS Ramen King competition.

Ramen is "COSMOS SERVED IN A BOWL."

The delicate balance of ingredients, broth and finely made noodles is an art form in itself.

SOUP

Following IPPUDO's secret recipe that was refined over the years, only rigorously selected ingredients go through the innovative processes of creating the Tonkotsu broth. It takes more than 15 hours to extract the essence and to achieve perfect emulsion.

NOODLE

IPPUDO noodles are the "work of a craftsman," offering a springy texture with deep flavours. These noodles are quintessential IPPUDO, boiled to al-dente, exuding the vibrant natural aroma and taste of wheat with each bite.

CHASHU

By gently, gradually and slowly simmering the chashu, the soy sauce based braising liquid is absorbed to the very center of the chashu. This is the "repeated simmering process" uniquely created by IPPUDO. It has a pleasant, chewy texture that melts in your mouth.

Kaedama

Kaedama is an extra serving of noodles.

This was developed as an alternative to large portions. The ultra thinness ensures that the noodles do not become too soft in a large bowl of ramen. Diners may request for an extra serving of noodles as long as there is enough soup in their bowl.
